

Investing in You to Get You Back to the Basics of Running Your Business

We go the extra length to ensure that you are satisfied with our company's services.
You've invested in your business, isn't it time that someone invested in you?

Who is Axi Reach?

As the world of technology advances it is easy to get lost in all of the jargon, equipment terminology, and the vast number of companies offering to solve all of your IT problems. At Axi Reach, we understand the true meaning of headache free technology. We cater to your specific needs and are capable of simplifying your business process. Providing excellent service to your clients is your top priority and we understand that goal. We have the ability to remove the hassle of searching for suitable IT solutions, and can easily assist you regarding your technological needs.

Axi Reach cares about your business because your business is our business. We take pride in our services and only offer the highest quality in products and services. We are dedicated to the needs of our clients in order to ensure a successful project and a long lasting working relationship. Axi Reach is a one stop shop taking care of all your IT needs. We go the extra length to ensure that you are satisfied with our company's services.

Axi Reach is the Right IT Company for you

Axi Reach has spent the last 9 years perfecting our "home built" technology. We do not outsource any aspect of our business; you are coming straight to the source. We pride ourselves on our innovative technology, and our knowledgeable staff is equipped with the best resources in solutions in order to guarantee the utmost reliable IT infrastructure. At Axi Reach, we are major players in the IT sector, and have studied the markets. We understand the value of technology today and as an international company, we go to the market with new technology; we don't wait for the market to come to us. Axi Reach is the only IT company who believes so deeply in their services that we will provide full internet services with equipment, installation, maintenance, and services at no cost to you.

Multi Units

As a Building Manager, you are seeking no-cost, creative ways to attract and retain residents—while at the same time increase the value of your properties. Today, Axi Reach is able to expand the living experience of your residents to include advanced High Speed Internet Access at no cost to you. The convenience of accessing an "always-on" Internet service at a high speed from each apartment unit can greatly influence prospective resident's decisions to sign on the dotted line. Axi Reach provides residents in apartment buildings and condominiums this cost effective High Speed Internet Access Service. As an IT company, Axi Reach will make the initial investment into your internet services. Once the infrastructure is in place, Axi Reach has a host of other services that will also be attractive to current and perspective residents, such as Video on demand and video recorder.

Axi Reach offers a cost efficient way to provide a service to your residents, which makes you more marketable. In today's economy, providing high speed internet and Wii Fi is vital as many people are now turning to working at home as a source of income and will be in need of internet at home. Our services are no costs to the condo association or building management, and we provide top of the line customer support and services 24 hours a day 7 days a week, 365 days a year. We even give your residents their own number to call where one of our customer support representatives will give them personal help with their internet services at no extra cost.
